Education

- 2013 **Masters of Science in Mathematics**, *Purdue University*, West Lafayette, IN, 3.6/4.0.
Recipient of fellowships for outstanding PhD-track students.
- 2011 **Bachelor of Arts in Mathematics with Honors**, *Northwestern University*, Evanston, IL, 3.64/4.0.
Thesis on Expander Graphs; Recipient of merit scholarships for outstanding academic achievement.
- 2007 **High School Diploma**, *The Hill School*, Pottstown, PA.
- 2009-2010 **Budapest Semesters in Mathematics**, *Budapesti Műszaki és Gazdaságtudományi Egyetem*, Budapest, Hungary.

Jobs

- 2013 **Junior Wolfram Alpha Developer**, Create and maintain math content for wolframalpha.com from simple arithmetic operations through college level calculus material.
- Helped launch wolframalpha.com/problem-generator by testing and debugging the random problem generation feature and polishing language.
 - Work in a small team to conceive and develop tutorials for Wolfram Language – a functional programming language used in Mathematica – targeted towards first time programmers and hobbyists.
 - Use gamification and visual aid to produce creative methods of explaining programming and mathematical concepts.
- 2012-2013 **Teaching Assistant**, Administered and graded quizzes and conducted recitation for 179 students in Calculus I and II at Purdue University.

Professional Affiliations and Development

- 2011-2013 Member of American Mathematical Society.
- 2011 Presented a poster on Expander graphs at the Joint Mathematics Meeting, the largest international math conference.
- 2010-2011 Member of Mortar Board national honor society recognizing college seniors for their exemplary scholarship, leadership and service.
- 2010 Undergraduate research program funded by an NSF grant studying Expander Graphs with professor Darren Long at the University of California, Santa Barbara.
- 2009 Attended the Nebraska Conference for Undergraduate Women in Mathematics.
- 2008 Selected for and attended Carleton College's Summer Math Program for Women.

Computer skills

- Proficient Mathematica, Python
- Basic Java, C
- Miscellaneous Microsoft Office, Linux, L^AT_EX

Languages

- Fluent English, Korean
- Basic French, German
